FOREIGN BROADCAST INFORMATION SERVICE

P. O. Box 2604

Washington, D. C. 20013

11 February 1985

STAT

I am pleased to confirm herewith that [redacted] your brother, was an employee in good standing of the Foreign Broadcast Information Service, an office of the United States Embassy in Saigon. I was [redacted] supervisor from September 1964 to September 1966, and can certify from his file that he became an employee of the Embassy in 1955, served intermittently because of military service until 1967, and became a full-time employee in 1968. [redacted] held the position of senior monitor-translator with FBIS/U.S. Embassy in Saigon at the time of his separation on 29 April 1975. I can attest to the fact that [redacted] was an employee in good standing at FBIS/U.S. Embassy until the office was closed because of the evacuation.

who worked for you before in Saigon. I would like to sponsor my brother to get out of Vietnam. Would you please give me an certificate of employment that my brother had worked for Ambassador in Saigon, and you were his supervisor. As the paper required, I hope that those papers you send me will help my brother get out of his miserable position. He is suffering.

I thank you very much for your help. I send you my best wishes.

Sincerely yours,

I would deeply appreciate any step you can take to expedite my departure from Vietnam under the ODP, and my reunion with my sisters in the United States.

Please acknowledge receipt of these forms, so I can be assured that they have reached safe hands.

Yours faithfully,
